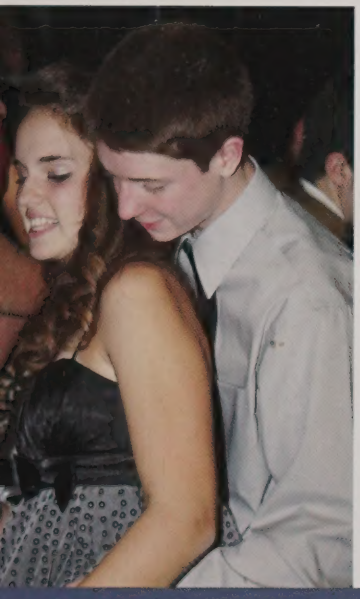
Mixing it Up

Sophomores share the Sno-Cial with Freshman for a First

As the cool winds of January approached, Sophomores were joined for the first time by Freshman at the Sno-cial. This change was upsetting to the Class of 2011, but was necessary due to lack of participation with the tough economic times families were facing. Ticket prices dropped to $10 & the Thomas F. Murphy Cafeteria was decorated in hues of blue & snowflakes with DJ Josh Spitaleri spinning the hits. To switch it up, the dance floor was near the front cafe windows with the food buffet near the ATM. Food consisted of chips, sandwiches, chicken fingers & meatballs. O'Connor Studios gave us photo memories for a lifetime.



Having a Harvest Ball

Sweet Times

Hearts A Fire

With February fast approaching, the sweet smell of love was in the air, but a date that was suitable for seniors left Mr. Thornton, in the Office of Student Activities, scrambling for the venue.

Finally, February 18 at Lenzi's Mill House was selected and 175 seniors & juniors along with their dates or friends gathered for a fanciful evening out.

Guests munched on finger foods and danced to the beats of DJ Josh Spitaleri with O'Connor Studios capturing the memories on digital media. For $25 a ticket, the night was worth the time out with friends.

rom the Main Office to Your House Office

Edward J. Rozmiarek
Headmaster

To the Class of 2011:

The first thing that I have to say to you, as we approach the end of this school year together, is "Thank you." As a group, you have represented Lowell High School very well this year, and you have made my first year as Headmaster a very rewarding one. I have enjoyed meeting and working with your class officers, with those of you who have attended the Headmaster's Advisory Committee meetings, and with many individuals whom I have come to know during the year. You have given me my introduction to Lowell High School and to the Lowell community, and I have been very impressed with both. This year's seniors have served as recognized leaders for the rest of the school, in the classrooms, in the hallways, and on the athletic fields.

As you graduate and leave Lowell High School, you will carry with you memories of your years here, and I hope those are positive memories that stay with you for a long time. These memories will undoubtedly be different for all of you, but the one constant will be this place – this incredibly large complex of buildings, with so many students and so many staff, who have all come together day after day and year after year. Students all have different goals; teachers all have different styles; but everyone is here for the goal of education, to make a better life, a better future.

Earlier this year I had the opportunity to meet with members of the class of 1960, who came back to Lowell High School for their 50th reunion. They walked around the building and pointed out things that have changed, things that looked the same. They shared memories of friends and teachers, some of whom they hadn't seen for years. Through all of this, the smiles on their faces and the memories they shared with each other were priceless. I wish for all of you the same wonderful memories when you come back here in 2061 for your 50th reunion.

Thank you once again for a wonderful welcome to Lowell High School, and I wish you all the very best as you move forward in your lives.

EYES ON THE FINISH
Cutting through the gate, Johannah Zacharer makes her way down the mountain. Johannah qualified for the State Tournament held March 1 at Berkshire East.

In the morning race, Giant Slalom, she skied a 56.55 for a 69th on a very steep, intimidating and fast course.

Johannah really shined in the afternoon in Slalom. She skied a 38.74 for 54th place on a track that was riddled with huge ruts and holes (from prior skiers). Only three skiers with higher bib numbers finished better than she did, and indeed she was 2-3+ seconds ahead of almost all the other girls similarly seeded. She finished up as 7th best finisher from our League.
